

KRYSTALLIDOU EVDOKIA

2014	<p>Politikos, S., Krystallidou, E. and Zinoviadou, K. (2014) The effect of plant extracts in fattening bull performance and meat quality. 1st International conference on 'Global Trends in the Agro-food Sector', September 11-13, Kalamata, Greece</p>
2011	<p>Krystallidou, E. and Mould, F. L. (2011) The influence of crop maturity at harvest on forage maize starch content. 3rd Pan-Hellenic Congress in Technology of Animal Production Friday 4th of February 2011:109-120</p> <p>Krystallidou, E. and Pilgrim, R. (2011) A method for starch determination in dried feed samples. 3rd Pan-Hellenic Congress in Technology of Animal Production Friday 4th of February 2011:109-120</p>
2006	<p>Krystallidou, E. and Mould, F. L. (2006) An in vitro methodology to estimate ruminal starch degradation. Proceedings of the British Society of Animal Science 2006: 173.</p>
2005	<p>Mould, F. L., Morgan, R., Kliem, K. E. and Krystallidou, E. (2005) A review and simplification of the in vitro incubation medium. Animal Feed Science and Technology 123-124: 155-172.</p>
2004	<p>Krystallidou, E. and Mould, F. L. (2004) An in vitro analysis of wheat and maize starch degradation. Proceedings of the British Society of Animal Science 2004: 228.</p> <p>Krystallidou, E. and Mould, F. L. (2004) Comparison of analytical methods for starch: pure starches and high-starch ruminant feeds. Proceedings of the British Society of Animal Science 2004: 229.</p>
2002	<p>Krystallidou, E., Mould, F. L., Owen, E. and Butler, E. A. (2002) Variation in gas release profiles in vitro as influenced by volatile fatty acid composition and rate of addition to two standard incubation media. Proceedings of the British Society of Animal Science 2002: 167.</p>
